

MATT MALLINSON FOR INDEPENDENCE SCHOOL BOARD

3118 North River Blvd.
Sugar Creek, MO 64050

Dear Friends,

As a quick reminder, I was appointed to the Independence School Board upon the death of Dr. Robert Clothier. The following year I was elected to a six year term. As Alise Martiny has indicated, during my time serving on the Independence Board of Education I have been very aggressive on encouraging Union employment in our district. Abraham Mallinson Elementary School was completed ahead of schedule, under budget and in my opinion, a superior finished product. Some of you are aware of my efforts as the Mayor of Sugar Creek working on the 40 mile trail (sidewalk) to be constructed from Wayne City Landing in Sugar Creek to Gardner Kansas, the hopeful construction of a grocery store complex, and our Solar Project (up to 17 megawatt production). All these projects are beneficial to Unions and are interrelated. I am running for re-election for the Independence School Board on April 5th. 2016. I am requesting your support, both monetarily and as endorsement so I may continue to serve the Independence School district and help the Unions stay strong.

Thank you for your consideration.

Matt Mallinson
